

# Who's YOUR alter ego?

An alter-ego, is defined as “a person’s secondary or alternative personality.” It is a secret side of your personality that others might not see. Think Clark Kent and Superman or Bruce Wayne and Batman. They both want the same things! But one has super powers!

Rube Goldberg’s alter-ego was the zany inventor, Professor Lucifer Gorgonzola Butts. Rube let the Professor show the world that depending too much on technology can make life very complicated!

To make YOUR alter ego:

1. WRITE DOWN what is important to you? What are your dreams for yourself or the world? Give your alter ego a job that agrees with you. And can get the job done!
2. Give your alter ego a title and a name! Be as whacky as you want! And in honor of Rube, make the middle name a CHEESE.
3. DRAW! Have fun! Want to share with the world? Send it to me!
